2 of Wisconsin and the Wisconsin State Public Defenders Association, WFT/AFT,  
3 Local ~~4622~~<sup>4822</sup>, AFL-CIO, for the 1997-99<sup>✓</sup> biennium, covering employees in the  
4 public defenders collective bargaining unit, and authorizing an expenditure of  
5 funds.

***Analysis by the Legislative Reference Bureau***

This proposal is introduced under section 111.92 (1) of the statutes. The proposal ratifies the collective bargaining contract for state employees in the public defenders collective bargaining unit negotiated for the 1997-99<sup>✓</sup> biennium under the state employment labor relations act. Currently, statutory program supplement appropriations fund the costs of collective bargaining agreements to the extent that they exceed budgeted costs. The proposal authorizes expenditure of moneys from those appropriations to fund the cost of this agreement.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

### **Grievance Procedure**

#### **Section 1 Definition**

**4/1/1** A grievance is defined as, and limited to, a written complaint involving an alleged violation of the specific terms of this Agreement. Only one (1) subject matter shall be covered in any one (1) grievance.

**4/1/2** A grievance will contain a clear and concise statement of the grievance by indicating the issue involved, the relief sought, the date the incident or violation took place, and the specific section or sections of the Agreement involved. The grievance will be presented in quadruplicate (on forms furnished by the Employer to the Union and any prospective grievant).

**4/1/3** An employee may choose to have his/her designated Union representative represent him/her at any step of the grievance procedure. Individual employees or groups of employees will also have the right to present grievances in person or through other non-Union representatives of their own choosing at any step of the grievance procedure excluding arbitration, provided that the designated Union representative has been afforded the opportunity to be present and to participate and that any settlement reached is not inconsistent with the provisions of this Agreement. If an employee files a grievance without first having notified the Union, the Employer representative to whom such grievance is brought will immediately notify the designated Union representative and no further discussion will be had on the matter until the representative has been given notice and an opportunity to be present. This does not preclude a WFT Union representative from acting as the designated Union representative, when necessary.

**4/1/4** All grievances must be presented promptly and no later than thirty (30) calendar days from the date the grievant first became aware of, or should have become aware of with the exercise of reasonable diligence, the cause of such grievance.

#### **Section 2 Exclusive Procedure**

**4/2/1** The grievance procedure set forth in this Article shall be the exclusive procedure for the resolution of disputes regarding the validity of State actions with respect to wages, hours, benefits and conditions of employment under this agreement, unless waived by the express written agreement of the parties. This exclusive procedure replaces any other grievance procedure or appeal procedure for the redress of any disputes arising from the application and interpretation of this Agreement.

### **Section 3 Steps**

**4/3/1 Step One:** Within seven (7) calendar days of receipt of the written grievance from the employee, the First Assistant or designee shall schedule a conference with the employee and his/her representative to discuss the grievance and return a written answer within seven (7) calendar days of the conference.

**4/3/2 Step Two:** If dissatisfied with the answer in Step One, to be considered further, the grievance must be appealed to the Division Director or designee within seven (7) calendar days from receipt of the Step One answer. The management representative shall confer with the employee and his/her representative and attempt to resolve the grievance. A written answer shall be placed on the grievance following the conference by the management representative and returned to the employee within twenty-one (21) calendar days of the conference.

**4/3/3 Arbitration:** Grievances which have not been settled under the foregoing procedure may be appealed to arbitration by either party within thirty (30) calendar days from the date of the agency's answer in Step Two, except grievances involving discharge must be appealed to arbitration within fifteen (15) calendar days, or the grievance will be considered ineligible for appeal to arbitration. Appeals to arbitration must be in writing to the State of Wisconsin's Department of Employment Relations, Bureau of Collective Bargaining, with a copy of the Second Step grievance attached to the appeal. If an unresolved grievance is not appealed to arbitration, it shall be considered terminated on the basis of the Second Step answer of the Employer without prejudice or precedent in the resolution of future grievances. The issue as stated on the Second Step shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties agree to modify the scope of the issue at the hearing.

**4/3/4** For the purpose of selecting an arbitrator, the parties will confer within a reasonable period from the date of the written appeal of the grievance to arbitration. If the parties are unable to agree on an arbitrator within a reasonable period, the parties or party, acting jointly or separately, shall request the Wisconsin Employment Relations Commission to submit a panel of arbitrators for selection of an arbitrator by the parties in accordance with the procedures established by the Wisconsin Employment Relations Commission.

**4/3/5** Where two (2) or more grievances are appealed to arbitration, an effort will be made by the parties to agree upon the grievances to be heard by any one (1) arbitrator. On the grievances where agreement is not reached, a separate arbitrator shall be appointed for each grievance. Where the grievance is denied by the arbitrator, the fees and expenses of the arbitrator and the costs of a court reporter, if one is requested by either party for the hearing, will be borne by the Union. Where the

grievance is upheld by the arbitrator, the fees and expenses of the arbitrator and the costs of a court reporter, if one was requested by either party for the hearing, will be borne by the Employer. Where the grievance is upheld in part and denied in part by the arbitrator, the fees and expenses of the arbitrator and the costs of a court reporter, if one was requested by either party for the hearing, will be shared equally by the parties. Each of the parties shall bear the cost of their own witnesses except that state employees called as witnesses shall be in pay status and their pay shall not be taxed to either party where the arbitrator rules their testimony is relevant; however, the Employer is not required to pay any overtime or travel expense of any such witness.

**4/3/6** On grievances where the arbitrability of the subject matter is an issue, the arbitrator shall determine the question of arbitrability prior to his/her hearing the merits of the grievance. The arbitrator shall only have the authority to determine compliance with the provisions of this Agreement.

**4/3/7** The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this Agreement and shall not make any award which in effect would grant the Union or the Employer any matters which were not obtained in the negotiation process. The decision of the arbitrator will be final and binding on both parties to this Agreement.

#### **Section 4 Time Limits**

**4/4/1** Grievances not appealed within the designated time limits in any Step of the grievance procedure shall be considered as having been adjudicated on the basis of the last preceding Employer answer. Grievances not answered by the Employer within the designated time limits in any Step of the grievance procedure may be appealed to the next step within seven (7) calendar days of the expiration of the designated time limits. The parties may, however, agree in writing to extend the time limit in any Step of the grievance procedure.

**4/4/2** If the Employer representative, with whom a grievance appeal must be filed, is located in a work site other than that in which the grievance was processed in the preceding Step, the mailing of the grievance appeal form will constitute a timely appeal if it is postmarked within the appeal period. Likewise, when an Employer answer must be forwarded to a work site other than that in which the Employer representative works, the mailing of the answer will constitute a timely response if it is postmarked within the answer period.

## **Section 5 Retroactivity**

**4/5/1** Disposition of a grievance may be retroactive as the equities of a particular case may demand. The maximum period of retroactivity allowed shall be a date not earlier than thirty (30) calendar days prior to the date of initiation of the written grievance in Step One.

**4/5/2** Employees who voluntarily terminate their employment, other than by retirement, will have their grievances immediately withdrawn and may not benefit by any later disposition of any grievance.

## **Section 6 Grievance Representatives**

**4/6/1** The Union shall designate up to twenty-five (25) bargaining unit members as grievance representatives, taking into account, to the extent possible, geographical considerations. The Union shall notify the State Public Defender or designee, in writing, of the names of the designated grievance representatives within thirty (30) calendar days after the effective date of this Agreement.

**4/6/2** The Union shall notify the State Public Defender or designee of any change to the list of designated grievance representatives within thirty (30) calendar days before the effective date of the change.

## **Section 7 Processing Grievances**

**4/7/1** The grievant and employee representatives will be permitted a reasonable amount of time to prepare and process a grievance at each step during their regularly scheduled hours of employment.

**4/7/2** The Employer is not responsible for any travel or subsistence expenses incurred by grievants or representatives in the processing of grievances.

**4/7/3** Whenever possible, grievance meetings shall be held at the employee's work location.

## **Section 8 Discipline**

**4/8/1** The parties recognize the authority of the Employer to reprimand, suspend, discharge or take other appropriate disciplinary action against an employee for just cause. An employee who alleges that such action was not based on just cause, may appeal a suspension, or discharge beginning with the Second Step of the grievance procedure. Appeals of all other discipline shall be filed at Step One of the grievance procedure.

**4/8/2** The parties agree that no attorney may be disciplined solely based on failure to achieve caseload unless that attorney fails to achieve his/her assigned caseload in two (2) consecutive evaluation periods. This section does not diminish the Employer's right to assign or reassign cases or the

Employer's right to utilization of other non-disciplinary processes to assist attorneys in achieving caseload.

**4/8/3** An employee shall be entitled to the presence of a Union representative at an investigatory interview.

**4/8/4** Prior to a pre-disciplinary ("Loudermill") meeting, the Employer will notify the employee of the subject matter of the meeting, including that it is a pre-disciplinary meeting. If the employee desires Union representation for the meeting, it is the responsibility of the employee to arrange for such representation. The Employer calling the meeting will make reasonable efforts, if necessary, to establish a mutually agreeable date for the meeting.

**4/8/5** A copy of a disciplinary written reprimand, suspension or discharge letter(s) will be forwarded to the Union within ten (10) working days after the discipline is issued to the employee; however, failure to provide a copy of such a letter will not prevent the Employer from maintaining its discipline on the merits of just cause.

## **Section 9 Disciplinary Action by Wisconsin Supreme Court or Its Agents**

### **A. General**

**4/9/1** This Section applies to investigative and disciplinary actions by the Court or its agents with respect to any conduct by a state public defender attorney, whether or not the conduct is directly related to the duties of a state public defender attorney.

### **B. Notification of State Public Defender of Investigation or Discipline by Wisconsin Supreme Court or its Agents.**

**4/9/2** A state public defender attorney who is investigated by the Wisconsin Supreme Court or its Agents shall inform the Employer or designee of the investigation at the earliest possible time as allowed by the Court's rules and not later than the filing of charges by the Court or its agents. A state public defender attorney who is disciplined by the Court or its agents shall inform the Employer or designee of the disciplinary action at the time that the attorney is notified of the imposition of discipline, unless specifically prohibited by Court rule.

### **C. License Suspension.**

**4/9/3** If a state public defender attorney's license to practice law is suspended by the Wisconsin Supreme Court or its agents, the attorney shall be placed on unpaid leave of absence until such time as the attorney presents adequate evidence that the suspension has been completed and the license to practice law reinstated, unless the attorney has been discharged for just cause or is still on a disciplinary

suspension for just cause. The suspended attorney may use appropriate accumulated paid leave to cover the period of unpaid leave that is not part of any discipline by the Employer. If the Court subsequently rules that the suspension was in error for which the state public defender attorney was not responsible, the Employer shall restore the employee's back pay, seniority and benefit levels for the period of the unpaid leave.

**4/9/4** Any employment discipline by the Employer for a disciplinary action by the Court or its agents shall only be for just cause; however, unpaid leave status pending completion of a suspension of a license or reinstatement of a license after suspension shall not be considered discipline and is not appealable to the grievance procedure.

**D. License Revocation.**

**4/9/5** Revocation of the license to practice law will constitute grounds for summary discharge without appeal to the grievance procedure.

**E. Reservation of Rights.**

**4/9/6** This Section shall not be construed as a waiver of the Employer's right to discipline attorneys for just cause for actions constituting the subject matter of proceedings in any other forum.

**Section 10 Exclusion of Probationary Employees**

**4/10/1** The retention or release of employees during the first twelve (12) months of their employment with the Office of the State Public Defender, or during any other probationary period provided under this Agreement, or during any extension of probation, shall not be subject to the just cause standard nor are such actions subject to the grievance procedure.

**4/10/2** If an employee is granted a leave of absence while the employee is serving a probationary period, the probationary period shall be extended by the length of the employee's leave of absence.

#### **Section 1 Health Insurance**

**6/1/1** The health care benefits offered under the Standard Plan and all compensable alternative plans will be comparable. The alternative plans approved by the Group Insurance Board at its meeting on September 5, 1985, are deemed comparable in benefit levels and will be considered as examples of comparability.

**6/1/2** The Employer shall pay ninety percent (90%) of the gross premium for the single or family standard health insurance plan offered to State employees by the group insurance board or one hundred and five percent (105%) of the gross premium of the alternative qualifying plan offered under s. 40.03(6), Wis. Stats., that is the least costly qualifying plan within the county in which the alternate plan is located, whichever is lower, but not more than the total amount of the premium. Employer contributions for employees who select the standard plan will be based on their county of residence. Qualifying health insurance plans will be determined in accordance with the standards established by the group insurance board.

**6/1/3** The Employer shall pay fifty percent (50%) of the above listed contribution amounts for insured employees in positions defined under s. 230.215 (3)(c), Wis. Stats., who are appointed to work for at least six hundred (600) but less than one thousand and forty four (1044) hours per year and are eligible for benefits under s. 40.02 (25), Wis. Stats.

**6/1/4** The Employer shall continue in effect the Health Maintenance Program in those counties in which there are no approved alternative plans.

**6/1/5** An employee who is laid off or on approved leave of absence without pay may continue his/her group health insurance and dental insurance, if dental insurance is provided, for a period not to exceed thirty six (36) calendar months while on layoff status or leave without pay status provided the employee prepaays on a quarterly basis the entire amount of the premium for the plan he/she is participating in.

#### **Section 2 Life Insurance**

**6/2/1** The Employer shall continue in effect substantially the present level of benefits provided under the existing master contract between the insurance carrier and the State of Wisconsin, Group Insurance Board.

**6/2/2** B. The Employer shall continue in effect substantially the present administration of the Group Life Insurance Plan provided under the provisions of Chapter 40, Wis. Stats.

**6/2/3** C. The Employer shall pay the difference between the employee contribution and total premium.

### **Section 3 Income Continuation Insurance**

**6/3/1** The Employer shall continue in effect the Income Continuation Program and the administrative provisions of the program provided under Chapter 40, Wis. Stats. and the master contract between the insurance carrier and the Group Insurance Board.

### **Section 4 Employee Funded Reimbursement Account (ERA)**

**6/4/1** All bargaining unit employees shall have the opportunity to participate in the Employee Funded Reimbursement Account program as administered under the provisions of Chapter 40, Wis. Stats.

### **Section 5 Sick Leave**

**6/5/1** A. Sick leave shall be provided as follows:

1. Sick leave will accrue at the rate of .0625 hour of sick leave for each hour in pay status not to exceed five (5) hours of sick leave accrued in any biweekly pay period. Sick leave will not be used until it has been accrued.

2. Sick leave will not accrue during any period of absence without pay or for any hours in excess of eighty (80) hours per biweekly period of service.

3. Unused sick leave will accumulate from year to year in the employee's sick leave account.

**6/5/2** B. Use of Sick Leave.

1. Employees may use accrued sick leave for personal illnesses, bodily injuries, maternity, or exposure to contagious disease:

a. which require the employee's confinement; or

b. which render the employee unable to perform assigned duties; or

c. where performance of assigned duties would jeopardize the employee's health or recovery. In the event the Office of the State Public Defender has reason to believe that an employee is abusing the sick leave privilege or may not be physically or mentally fit to return to work, the OSPD may require a medical certificate or other appropriate verification for absences covered by this

Section. When an employee must obtain such medical certificate during his/her regularly scheduled hours of employment, he/she will be allowed time off without loss of pay or sick leave credits to obtain the certificate. With the approval of the Employer, employees may be permitted to use personal holidays, earned holiday time credits, or earned vacation credits in lieu of sick leave when they so request. Such time is subject to the same requirements for sick leave use as set forth above.

2. Employees may use accrued sick leave for personal medical or dental appointments which cannot be scheduled at times other than during working hours. To qualify for use of sick leave under this Section, employees must give the Office of the State Public Defender reasonable advance notice of appointments except when emergency conditions prevail.

3. a. Where death occurs in the immediate family of an employee, accrued sick leave may be used. Immediate family is defined as, and limited to: the spouse, parents, step parents, grandparents, foster parents, children, step children, grandchildren, foster children, brothers (and their spouses), and sisters (and their spouses) of the employee or spouse, aunts, uncles, sons-in-law, daughters-in-law, spouse equivalent, and other relatives of the employee or spouse residing in the household of the employee.

b. Use of accrued sick leave will normally be used during the seven (7) calendar day period immediately following the death. Where mitigating circumstances require a postponement in funeral arrangements, sick leave may be used at an appropriate later date for directly related purposes. Use of sick leave for death in the immediate family for the purposes of this Section is limited to a total of three (3) work days, plus required travel time not to exceed four (4) work days.

4. Employees may use one (1) day of accrued sick leave to attend the funeral of nieces, nephews, or cousins, of the employee or spouse. Travel time required to attend such funerals will not exceed four (4) work days.

5. Employees may use accrued sick leave for temporary emergency care of ill or injured members of the immediate family (as defined in paragraph 3 above) for a limited period of time to permit the employee to make other arrangements. Use of sick leave for the purposes of this section is limited to five (5) work days for any one (1) illness or injury, however, the use of sick leave may be extended to cover unusual circumstances provided prior approval is obtained.

6. Employees may use accrued sick leave to take custody of adopted children and for the care of the employee's child or children after birth or adoption. Use of sick leave for these purposes may not exceed five (5) work days for the purpose of taking custody of the child or children and

ten (10) days immediately after taking custody or after birth of the child or children for the purpose of caring for the child or children.

7. Employees may use accrued sick leave to supplement the Worker's Compensation benefits provided pursuant to Chapter 102, Wis. Stats., to the extent that the employee will receive the equivalent of his/her regular base rate.

8. The procedures necessary for the administration of this Section will be developed by the Employer and will be in accordance with the existing Wisconsin Statutes.

**6/5/3 C. Sick Leave Conversion Credits Upon Retirement.**

1. The Employer agrees to continue in effect the provisions of s. 40.05(4)(b), Wis. Stats., which provide that at the time of retirement or in the event of death, accumulated unused sick leave will be converted at current value and credited to the employee's account. The conversion credits once recorded will be used on behalf of the employee or surviving spouse to offset the cost of the monthly health insurance premiums as provided under the provisions of s. 40.05(4)(b), Wis. Stats.

**6/5/4 2. Supplemental Health Insurance Conversion Credits Upon Retirement.**

The Employer agrees to provide the following supplemental health insurance conversion credits for permanent employees who retire from the service under the following conditions:

a. The credits will be based upon an employee's full number of years of adjusted continuous service on the date of retirement.

b. The credits will be calculated based on the employee's sick leave balance on the date of retirement.

c. For employees who retire with at least fifteen (15) full years of adjusted continuous service, the Employer will match each one (1) hour of accumulated sick leave up to a maximum of fifty-two (52) hours per year multiplied by the number of years of service through twenty-four (24) years. For years of adjusted continuous service over twenty-four (24) years, the Employer will match each one (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of continuous service over twenty-four (24) years.

d. For employees who have earned all of their adjusted continuous service while having protective occupation status and who retire with at least fifteen (15) full years of adjusted continuous service, the Employer will match each one (1) hour of accumulated sick leave up to a maximum of seventy-eight (78) hours per year multiplied by the number of years of service through twenty-four (24) years. For years of adjusted continuous service over twenty-four (24) years, the Employer will match each one (1) hour of accumulated sick leave credit up to a maximum of one hundred

and four (104) hours per year multiplied by the number of years of continuous service over twenty-four (24) years.

e. Employees who have earned part of their adjusted continuous service while in protective occupation status will have their credits prorated in accordance with these provisions:

1) If, at the time of retirement, the employee has adjusted continuous service of less than twenty-five (25) years, multiply the number of years as general by fifty-two (52) hours. Multiply the number of years as protective by seventy-eight (78) hours. Combine these totals to determine the maximum matching credits.

2) If, at the time of retirement, the employee has adjusted continuous service of over twenty-four (24) years, determine the proration based on the first twenty-four (24) years of service and then add one hundred and four (104) hours for each year of adjusted continuous service over twenty-four (24) years.

f. Employees who suffer from a personal illness or injury that requires them to use at least five hundred (500) hours of accrued sick leave during the three (3) years immediately prior to retirement will receive five hundred (500) hours credited to this account upon retirement.

g. Employees will be required to provide medical documentation of such illness or injury to the Employer on forms provided by the Employer at the time the leave is taken. Employees who have suffered such an illness or injury during the three (3) years immediately preceding the effective date of this contract will also be required to provide supporting medical documentation.

h. Access to these credits for payment of post-retirement health insurance premiums will occur only after all Accumulated Sick Leave Conversion Credits (ASLCC) under Section 6/5/3 have been exhausted.

i. In the event an employee returns to a position covered by this Agreement after having retired, the credits in this account will be held in escrow until the employee again retires. The credits will then be adjusted to reflect additional years of adjusted continuous service and sick leave accrual.

j. At the employee's option, these credits will be converted using the employee's base pay rate at the time of retirement or the average of the employee's base pay rates during the employee's three highest earnings years.

k. For information purposes, a chart portraying this benefit is found in Appendix A.

**6/5/5 D. Restoration of Sick Leave.**

1. Separation from the service by resignation or for cause will cancel all unused accumulated sick leave. However, when a person who has completed his/her original twelve (12) month probationary period resigns prior to July 5, 1998, any unused accumulated sick leave will remain on record and be restored if the person is rehired within the bargaining unit within three (3) years.

2. When a person who has completed his/her original twelve (12) month probationary period resigns on or after July 5, 1998, any unused accumulated sick leave will be remain on record and be restored if the person is rehired within the bargaining unit within five (5) years.

3. When a person who has completed his/her original twelve (12) month probationary period is laid off, any unused accumulated sick leave will remain on record and be restored if the person is recalled from layoff. However, upon written request of an employee, accumulated unused sick leave will at the time of layoff, be converted to cash at the employee's current base rate for credits to be used to pay health insurance premium costs during the time of layoff. Direct premium payment to the insurer will be made by the Employer on behalf of the laid off employee. Premium payments under this provision will be limited to a maximum period of five (5) years from the date of layoff or will cease the first of the month following the acceptance of any other employment, whichever comes first. At the time of recall, unused cash credits will be converted to sick leave at the same rate used for the original conversion and restored to the employee's sick leave account.

**6/5/6 E.** Each employee's unused sick leave accumulated in their sick leave account as of the effective date of this Agreement will be carried over under this Agreement. State employees who become bargaining unit members after the effective date of this Agreement and have unused sick leave accumulated in their sick leave account, will have the amount accumulated in their account as of the date they become bargaining unit members, carried over under this Agreement. This section will not be used to recompute the amount of sick leave accumulated in an employee's account prior to the effective date of this Agreement or prior to the date an employee becomes a bargaining unit member.

**6/5/7 F. 1.** Under this Agreement, an employee who is eligible for benefits under s. 40.63, Wis. Stats., as a result of a work-related injury or disease will be eligible to convert accumulated unused sick leave at the employee's then current basic rate to credit for payment for health insurance premiums.

2. Conversion of accumulated unused sick leave credits for payment of health insurance premiums by employees who qualify for benefits under s. 40.63, Wis. Stats., will not be treated as earnings under s. 40.02(22), Wis. Stats.

**6/5/8** H. The employee may elect to delay conversion of his/her sick leave credits for a period of up to five (5) years after the date of retirement, provided that the employee is covered by a comparable health insurance plan or policy between the date of retirement and the time that the employee elects to convert his/her sick leave credits. Such conversion shall be based on the employee's hourly rate at the time of retirement.

## **Section 6 Annual Vacation Leave**

**6/6/7** G. Vacation Scheduling

1. In scheduling vacation, the choice of time and amounts within the work unit will be governed by seniority as defined in Article IX. The parties recognize that the Office of the State Public Defender has the right to determine the number of employees within the work unit that may be on vacation at any given time; however, vacations will be granted at times and in amounts most desired by employees whenever operations permit. Once vacation periods have been scheduled, the Office of the State Public Defender will make changes in employee vacation schedules only to meet unanticipated staff shortages or emergencies.

2. Any vacation earned by an assistant state public defender attorney of forty (40) hours or less which is not used within the calendar year in which it was earned may be automatically carried over to December 31 of the following year without written authorization.

It is the expressed intent of the Employer to exercise the authority to change scheduled vacation periods as seldom as possible.

5. Carried over vacation time must be used before any other vacation leave time or personal holiday time. Any hours that are carried over that are not used before December 31 of the succeeding year will then lapse permanently.

6/6/8 H. Should an employee become ill or injured immediately before or during a vacation, the employee may cancel his/her vacation period and utilize sick leave credits earned under the provisions of Article VI, Section 5, commencing with the date he/she informs the Office of the State Public Defender.

Upon request of the employee and at the discretion of the appointing authority, parental leaves of absence without pay may be extended or renewed for another period of time, not to exceed six (6) months. In no case will the total period of leave exceed twelve (12) months.

b. In no case will a pregnant employee be required to leave prior to childbirth unless she is no longer able to satisfactorily perform the duties of her position.

b. For purposes of administering this provision only, the term "assistant state public defender attorney" will be considered substituted for the term "classified employee" wherever it appears in s. 230.32 (1)-(3), Wis. Stats. The term "unclassified service" will be considered substituted for "classified service". The term "probationary" will have the same meaning as provided in this contract under Article IV, Section 10. The term "permanent status in class" will refer to employees no longer in probationary status.

6/7/4

4. The Employer shall make reasonable efforts to grant a medical leave of absence, without pay, up to a maximum of six (6) months. When an employee is eligible for entitlements under applicable state or federal statutes, the time off granted under such acts shall run concurrently with leave under this section. Approval of the leave is dependent upon verification of a medical doctor that the employee is not able to perform assigned duties. Upon review by the Employer, the leave may be extended. Any extension of the medical leave of absence or application for a medical leave of absence within one (1) year of the employee's return to work shall be at the Employer's discretion. Employees wishing to return to work before their leave of absence has expired and who provide medical verification of their ability to return to work may, with the Employer's approval, return to work upon two (2) weeks written notice to their Employer. Denials of requests for leave without pay under this section shall not be arbitrary or capricious.

**6/7/5** The employee shall have the following rights upon his/her return from any of the above approved leaves without pay:

1. The employee will be returned to his/her position or one of like nature in the bargaining unit (taking into account geographical considerations) without loss of state or SPD Attorney seniority.

**6/7/6** C. The Employer agrees to abide by the Wisconsin Family and Medical Leave Act, s. 103.10, Wis. Stats., and the Federal Family and Medical Leave Act of 1993 or as amended.

**Section 8 Leaves of Absence With Pay Due to Injury Under Special Conditions**

**6/8/1** Sections 230.36(1)(2) and (3), Wis. Stats. are hereby adopted by reference subject to the conditions and limitations set forth herein.

**6/8/2** Injured employees who meet the qualifying provisions of s. 230.36, Wis. Stats., may be granted a leave of absence for up to 6 (six) months from the date of injury.

**6/8/3** Application for a leave of absence under this Section will be made by the employee or his or her representative to the appointing authority within fourteen (14) calendar days from the date of injury on forms provided by the Employer. In extenuating circumstances, at the discretion of the Employer, the time limit for application for benefits may be waived. The application will contain sufficient factual information to indicate the nature and extent of the injury or illness, the circumstances surrounding its occurrence and the qualifying duties on which the application is based and must be accompanied by medical proof of the injury.

**6/8/4** Within fourteen (14) calendar days after receipt of the claim, the appointing authority will notify the employee of his/her decision to authorize or deny the leave of absence.

**6/8/5** An employee denied a leave of absence under this Section may, within fourteen (14) calendar days, file an appeal at the Third Step of the grievance procedure as provided under Article IV of this Agreement.

**6/8/6** Employees whose leave of absence is approved under this Section will be entitled to full base pay plus any unitwide pay increases and personal holidays. Such leave with pay will be based on medical and other proof of the injury and the continuing disability of the employee. In the event that the employee is able to return to work but further medical treatment is required for the sustained injury, leaves of absence may be granted to cover the treatment time providing the attending physician has made a prior determination that such treatment is necessary for full recovery and provided it is not more than six (6) months from the date of injury.

**6/8/7** An employee on approved leave with pay under this Section will be denied the following benefits while remaining in nonwork status: accrual of vacation credits for the period of absence; time off for legal holidays which occur during the period of absence; and the accrual of sick leave during the period of absence. Vacation and holiday credits earned prior to the date of injury may be carried over for a period of twelve (12) months from the date of injury, at which time unused credits will lapse. Personal holidays will lapse if the employee does not return to work by the end of the calendar year.

**6/8/8** Concurrent benefits: except for payments specifically authorized under Chapter 102, Wis. Stats., pertaining to worker's compensation, under no circumstances will an employee receive more than his or her basic rate of pay for the job in which he or she was performing at the time of injury.

**6/8/9** Employees requesting leave and while on leave with pay will submit to such physical and/or medical examinations as may be required by the Employer to determine the extent of or continuation of disability and inability to work. Such examination(s) will be at the expense of the Employer and performed by physicians selected by the Employer. A complete report indicating the nature and extent of disability and prognosis for a reasonable return to duty and date of such return will be submitted to the Employer. Refusal by the employee to submit to examinations ordered by the Employer or medical treatment ordered by the examining physician will constitute ground for disciplinary action and/or termination of a leave of absence under this Section.

## **Section 9 Military Service**

### **A. Annual Field Training**

**6/9/1** 1. Employees who have completed the first six (6) months of their original twelve (12) month probationary period and who are members of either the national guard, state guard or any other reserve component of the military forces of the United States or the State of Wisconsin, now or hereafter organized or constituted under federal and state law, will be granted a leave of absence without loss of pay not to exceed thirty (30) scheduled work days in any calendar year. During this leave, each

employee will receive his/her base state pay less the base military pay received for and identified with such attendance but such reduction will not be more than the base state pay. Such leave will be provided to enable employees to attend military schools and annual field training or annual active duty of training and any other federal tours of active duty which have been duly ordered and held. Such paid leave will not be granted to employees who are serving on extended active duty or for service as a member of the active armed services of the United States, or for absences of less than three (3) consecutive days. Employees will notify their immediate supervisor immediately upon receiving written or oral notice of their dates of military service. This provision does not apply to inactive duty training.

**6/9/2**            2.        The amount of authorized pay will be determined by the number of scheduled work days within the starting and ending dates of the training period as specified on the military pay voucher or other payroll document received by the employee at the conclusion of the training period. This document shows the number of days and inclusive dates for which military pay was received, including authorized travel time, if applicable. Military orders include ample travel time via the most rapid mode of transportation available and for which transportation or actual reimbursement is made by the military, therefore additional travel time required by the employee to accommodate a different mode of travel elected by the employee must be charged to leave without pay, vacation or compensatory time.

**B.        Public Emergencies:**

**6/9/3**            Employees who have completed the first six (6) months of their original twelve (12) month probationary period and who are members of the Wisconsin National Guard or the Wisconsin State Guard, who are called into State active duty service to meet situations arising from war, riot, public emergency or are called into service to prepare for anticipated emergencies, may elect to receive pay from the State pursuant to s. 20.465(1) (c) Wis. Stats., in an amount equal to his or her base State salary for such period of State active duty in lieu of the service pay, including allowances, the employee would normally receive as a member of the National or State Guard.

**6/9/4**            C.        Leave provided under this Section is in addition to all other leaves granted or authorized by this Agreement. For the purpose of determining seniority, pay or pay advancement, the status of the employee will be considered uninterrupted by such attendance.

**6/9/5**            D.        Employees who are called for a preinduction physical for the military service will be granted a leave of absence with pay for the time actually and necessarily spent in response to such a call.

## **Section 10 Jury Duty**

**6/10/1** Employees who are summoned for grand jury or petit jury service shall be provided leave with pay at the base pay of the employee. Base pay of the employee is the employee's pay rate excluding any overtime or supplemental pay. When not impaneled for actual service and only on call, the employee will report back to work unless authorized by the appointing authority to be absent from his/her work assignment.

## **Section 11 Inclement Weather**

**6/11/1** Employees who report late to work after having made an earnest effort to report to work on time but were unable to do so because of inclement weather, such as a severe storm, may be allowed to work up to eight (8) hours within the pay period or the following pay period to make up for lost time as directed by management. When the Employer directs the employees to leave the worksite, the employee will continue to receive normal pay for that day only.

## **Section 12 Retirement**

**6/12/1** The Employer shall continue in effect the administration of the Wisconsin Retirement System as provided under Chapter 40, Wis. Stats. and the appropriate Adm. Code rules of the Employee Trust Funds Board.

**6/12/2** For the duration of this Agreement, the Employer will contribute on behalf of the employee five percent (5%) of the employee's earnings paid by the State.

**6/12/3** Effective July 1, 1986, the Employer will pay the one percent (1%) benefit adjustment contribution required by s. 40.05(2m), Wis. Stats.

**6/12/4** Effective June 9, 1996, the Employer will pay the additional three-tenths of one percent (0.3%) employee share of the required benefit adjustment contribution for general occupation employees.

## **Section 13 Holidays**

**6/13/1** 1. Full time employees shall be provided the following paid holidays of eight (8) hours each:

**6/13/4** 4. Employees shall be provided three and one half (3 1/2) non-cumulative personal holidays in each calendar year to all employees. All employees not satisfactorily completing the first six (6) months of their original twelve (12) month probationary period will earn only the annual proration of their personal holidays. Qualified employees may take these three and one half (3 1/2) holidays at any time during the calendar year provided the days selected by the employee have the prior approval of the Office of the State Public Defender.

**6/13/5** 5. Under the provisions of 1., 3. and 4., above, permanent part time employees will have all holidays prorated. The proration will be based upon the projection of the percent of full time the employee is to be employed on a yearly basis (2088 hours).

#### B. Holiday Compensation.

**6/13/6** 1. When employees are specifically directed by the Employer to work on a holiday provided in 6/13/1, above, such employees will be compensated at the rate of time and one-half for all hours worked between the hours of 12:00 a.m. and 11:59 p.m. Such compensation shall be made in holiday time off or cash payments, or any combination thereof, at the discretion of the Employer.

**6/13/7** 2. Holiday time off due an employee for work on a holiday, or when a holiday falls on an employee's regularly scheduled day off, will be added to vacation credits and will be subject to the same scheduling procedure and regulations as are applicable to vacation scheduling.

## **Section 14 Administration of Worker's Compensation Benefits**

**6/14/1** In the administration of the Worker's Compensation Act as set forth in Chapter 102, Wis. Stats., the appointing authority will make an initial determination as to whether the injury was job related; and if so, he/she may authorize payment for temporary disability as specified in the Worker's Compensation Act.

**6/14/2** In the event the Employer makes an initial determination that an injury is job related and authorizes payment for temporary disability as specified in the Worker's Compensation Act, the Employer shall continue to pay its share of the Health Insurance premium as provided in Article VI, Section 1 for the period of the temporary total disability.

**6/14/3** In the event the Employer denies the employee's claim of worker compensable injury or disease and the employee's claim is later sustained, the Employer will reimburse the employee its proportionate share of the premium payment per Article VI, Section 1, if the employee had continued paying the full cost of the Health Insurance premium payment during the period of worker's compensation claim pendency.

## **Section 15 Rehire**

**6/15/1** A. Upon rehire within three (3) years of separation, an assistant state public defender attorney who has completed the original twelve (12) month probationary period and has voluntarily separated from employment prior to July 5, 1998 will receive a base pay rate calculated as if the employee were reinstated to a position in the classified service under s. ER 29.03(6), Wis. Adm. Code.

B. Upon rehire within five (5) years of separation, an assistant state public defender attorney who has completed the original twelve (12) month probationary period and has voluntarily separated from employment on or after July 5, 1998 will receive a base pay rate calculated as if the employee were reinstated to a position in the classified service under s. ER 29.03(6), Wis. Adm. Code.

C. Upon rehire under this Section, the Office of the State Public Defender, within its discretion, may require a probationary period of up to ninety (90) days. It is understood that these catastrophic leave transfers are a conditional benefit and not a right of potential recipients.

**6/17/2** Catastrophic illness or injury is defined as an illness or injury that is expected to incapacitate the ASPD Attorney and that creates a financial hardship. Catastrophic illness or injury may also include an incapacitated family member if this results in the ASPD Attorney being required to take time off from work for an extended period of time to care for the family member.

**6/17/3** Catastrophic leave donations will be from within the bargaining unit. Donations will be on an hour for hour basis and used in order of receipt.

**6/17/4** A Catastrophic Leave Approval Committee will be established, composed of two (2) Union representatives who are members of the bargaining unit and the State Public Defender (SPD) or his/her delegate. All catastrophic leave requests must be approved by this committee. Consistent with the provisions of this section, the committee will have final decision-making authority. Applicants may request a review of denials before this committee.

**6/17/5** The Catastrophic Leave Approval Committee will notify the OSPD of approved recipients. The OSPD will transfer donated leave from donor to recipient leave accounts. Every effort will be made to maintain the confidentiality of the donor(s) and recipient(s), upon request.

**6/17/6** To be an eligible recipient, an employee:

**6/17/9** It is understood that the provisions of this Section are not subject to the appeal provisions of Article IV of this Agreement.

## **Section 18 Professional Development**

**6/18/1** The Employer will provide in-house training for employees to meet the minimum required continuing legal education (CLE) credits. If the Employer excuses an employee from attending, the Employer will grant leave without loss of pay for the sole purpose of meeting these requirements.

**6/18/2** If an employee is excused from attending the training in 6/18/1, the employee will have the discretion to choose the type of continuing legal education contingent upon the approval of the Employer. Approval of the choice will not be unreasonably withheld. Scheduling for this leave will be contingent on the Employer's operational needs.

**6/18/3** Employees may be granted up to a total of four (4) days off without loss of pay each fiscal year to attend the State of Wisconsin Summer and Mid-Winter Bar Association meetings or to participate meaningfully in other legitimate state or local bar association activities, except where operational needs would not permit attendance.

**6/18/4** Except where Employer directed, all travel lodging tuition and related expenses for continuing legal education or professional association meetings will be the responsibility of the employee. The Employer may, at its sole discretion, pay some or all of the cost of attendance.

**7/3/1** Professional time may be available to the employee in recognition of his/her status as a professional for additional time in excess of the usual working hours.

**7/3/2** Use of professional time as requested in these situations will require approval by the appropriate supervisor who may grant requests giving consideration to program needs, the recognition that a professional employee usually works not less than an average of forty (40) hours per week, that the concept of professional time need not be approved on an hour for hour basis for extra work performed beyond the usual work hours, and the fact that a professional employee has a degree of job responsibility and flexibility neither assumed nor granted to other categories of employees. The supervisor's approval may be for a single occurrence or for the continuing use of professional time as determined by the supervisor. The approval and use of professional time will not be unreasonably denied by the Employer.

#### **Section 4 Alternative Work Patterns**

**7/4/1** The State of Wisconsin as an Employer has recognized the value and benefits of alternative work patterns to the employees. In the furtherance of this recognition, the Employer acknowledges the public policy criteria expressed in s. 230.215(1), Wis. Stats., supporting the development and implementation of alternative work patterns in appropriate work environments, balanced by due consideration for the operations of the Office of the State Public Defender and the needs and convenience of the public and clients served by the OSPD. The Employer agrees that reasonable efforts will be made to explore the possibility of implementing alternative work patterns in appropriate work environments.

## **ARTICLE VIII**

**8/1/1** "Work rules" means, and are limited to, limitations and requirements established by the Employer within its discretion that regulate the personal conduct of its employees as that conduct relates to the fulfillment of their work duties and responsibilities. The Employer's work rules are enforceable outside of normal work hours when the conduct of the employee would prejudice the interests of the State and agency as an Employer.

#### **Section 2 Establishing Work Rules**

**8/2/1** The Union recognizes the right of the Employer to establish reasonable work rules pursuant to s. 111.90(2), Wis. Stats.

Upon request by the Union, the Employer will make a reasonable effort to meet with a Union representative to discuss the new or amended work rules prior to implementation.

#### **Section 3 Applying Work Rules**

**8/3/1** Work rules are to be interpreted and applied uniformly to all employees under like circumstances. The reasonableness of work rules which includes both the application and interpretation may be challenged through the grievance procedure contained in this Agreement. A work rule that is clearly and directly in conflict with any specific and express provision of this Agreement is superseded by such provision of the Agreement.

#### **Section 4 Removing Letters of Discipline from Official Personnel Files**

**8/4/1** Upon request of the employee, the Employer will remove written reprimands from the employee's personnel file twelve (12) months after being issued, and suspensions three (3) years after being issued, provided the employee has received no discipline since the written reprimand or suspension, and the discipline was not for misconduct for which the employee has been disciplined by the Board of Attorneys Professional Responsibility or the Supreme Court.

**8/4/2** In the case of discipline for misconduct for which the employee has been disciplined by the Board of Attorneys Professional Responsibility or the Supreme Court, an employee may request removal from their official personnel file of written reprimands three (3) years after being issued, and suspensions five (5) years after being issued, provided the employee has received no discipline since the written reprimand or suspension.

**8/4/3** A letter of discipline that is not removed from an employee's personnel file as provided in 8/4/1 may not be used as a progressive step in discipline, but it may be used for other purposes including, but not limited to, issues of credibility; or a demonstration of an employee's notice, knowledge or understanding of work rules; or a demonstration of an employee's notice, knowledge or understanding of expectations regarding performance and conduct.

## **Section 5 Official Personnel Files**

**8/5/2** A copy of any material placed in an employee's official personnel file which may affect his/her job performance evaluation or discipline shall be presented to the employee at the time it is placed in the official personnel file. Material which has not been submitted to the employee pursuant to this Section may not be utilized adversely to the employee in any performance evaluation or disciplinary action unless such material is a matter of public record.

B. If an employee resigns and is rehired within the time period provided under Article VI, Section 15, his/her new seniority in state service and SPD Attorney seniority will be adjusted to a new and later date which gives no credit for the period during which he/she was not an employee of the state.

C. If an employee resigns and takes a position in state service outside of the Office of the State Public Defender and is then rehired within the time period provided under Article VI, Section 15,

his/her new SPD Attorney seniority will be adjusted to a new and later date which gives no credit for any period during which he/she was not an employee of the Office of the State Public Defender.

**9/3/2** In the event two (2) employees have the same seniority date, seniority of the one as against the other shall be determined by age, with the oldest considered having the greatest seniority.

#### **Section 4 Seniority Information**

**9/4/1** The Employer shall maintain a seniority list of all bargaining unit members and shall make this list available to Association representatives or employees upon request.

B. The Employer shall notify each employee selected for layoff in writing as soon as possible but not less than fourteen (14) calendar days in advance of the established layoff date. Where notices are sent by first class mail, the time shall begin to run on the date the notice is postmarked. That layoff notice shall contain reference to the options available to that employee under this Article. A copy of such notice shall also be sent to the Union at that time.

C. With the agreement of the Employer, a more senior employee may volunteer to be separated from employment in lieu of the layoff of a less senior employee with the guarantee that the Employer will not challenge the more senior employee's eligibility for unemployment compensation, unless that employee, at a later point in time, refuses a reasonable offer of re-employment.

#### **Section 2 Recall**

**10/2/1** When a vacancy is to be filled, the laid-off employees shall be recalled according to SPD Attorney seniority, with the most senior employee recalled first. The employee's right to such recall shall last for a period of five (5) years from the date of layoff.

**10/2/2** Employees are responsible for keeping the Employer notified of their current address and phone numbers. The Employer will make a reasonable effort to notify employees being considered for recall. Telephone contacts will be confirmed by the Employer by certified mail, return receipt requested. If the Employer is unable to contact the employee by telephone, notice of recall will be sent by certified mail, return receipt requested. In the event the Employer is unable to contact the employee within ten (10) workdays, or the employee fails to be available for work within ten (10) work days after being informed of the recall, the employee will forfeit any further recall rights for the vacancy being considered. The Employer may extend the preceding time limits. The Employer's obligation for recall will also be terminated if the employee is re-employed in a SPD Attorney position, or if the employee declines or fails to respond to a reasonable offer of re-employment elsewhere in the Office of the State Public Defender.

**10/2/3** On a case-by-case basic, by mutual agreement of the parties, an employee may reject a reasonable offer and retain the right to recall.

**10/2/4** The base pay of an employee who is recalled shall be a rate equal to the last rate the employee received in the position from which laid off plus any intervening pay adjustments for which the employee would have been eligible which have occurred in the bargaining unit during the period of layoff. When an adjustment is discretionary, such adjustment shall be limited to the amount that would have been generated by the employee.

### **Section 3 Reasonable Offer**

**10/3/1** A reasonable offer of re-employment is an offer to fill a vacancy under the following conditions:

- A. the permanent position is that of an attorney in the agency;
- B. the vacancy is in an office that is less than forty (40) miles from the employee's home unless the employee's offices prior to his/her layoff were at a greater distance from his/her home, in which case a job offer will be reasonable if the offices of the position offered is no further from the employee's home than was the distance of the previous offices, and

## **ARTICLE XII**

### **LABOR-MANAGEMENT PEACE AND STABILITY**

#### **Section 1 No Strike or Lockout**

**12/1/1** Inasmuch as this Agreement provides machinery for the orderly resolution of disputes, which relate to this Agreement by an impartial third party, the Employer and Union recognize their mutual responsibility to provide for uninterrupted services.

**12/1/2** Neither the Union, its officers, agents, nor representatives or Union members, individually, collectively or in sympathy with other units of this or other Employers, will authorize, instigate, cause, aid, condone, or take part in any strike, work stoppage, sit-down, stay-in, slowdown or other concerted interruption of operations or services by employees (including purported mass resignations or sick calls) or any concomitant thereof. The Union agrees that the Employer has the right, without limitation, to deal with any such strike activity by:

A. Imposing discipline, including discharge or suspension without pay on any, some, or all of the employees participating therein, and/or on any, some, or all of the leaders of the labor organization who so participate, as the Employer may choose;

B. Canceling the civil service status of any employee engaging therein; or

C. Seeking an injunction and/or requesting the imposition of fines, either against the Union and/or the employee(s) engaging therein, and/or suing for damages because of such strike activity.

**12/1/3** When the Employer notifies the Union by certified mail that any of its members are engaged in any such strike activity, the Union will immediately, in writing, order such employees to return to work, provide the Employer with a copy of such order by certified mail within twenty four (24) hours of receipt of the notification from the Employer, and a responsible officer of the Union will publicly order the striking employees to discontinue such conduct through the medium of local newspapers and/or local radio. Failure of the Union to take such action will be considered in determining whether or not the Union caused or authorized, directly, or indirectly, the strike. This clause is not subject to the arbitration provisions of this Agreement and may be enforced only by the ordinary processes of law.

**12/1/4** Neither the Employer, its officers, agents nor representatives, individually or collectively, will authorize, instigate, cause, aid or condone any lockout. If a lockout does, in fact, occur, all affected employees will be paid for such period of time at their regular rate of pay for time lost from work due to the lockout

## **Section 2 Disputes**

**12/2/1** In the event a dispute arises between the parties of this Agreement with respect to whether or not the Union or any of its officers, agents, or representatives has caused or authorized, either directly or indirectly, a strike, work stoppage, sit-down, stay-in, slowdown, or other concerted interruption of operations or services by employees ("job action"), or in the event of whether the Employer has locked out employees, such disputes will be settled in arbitration as provided in this Agreement. This Section will not affect the right of the Employer to deal with any strike activity or other job actions pursuant to Section 1 of this Article, or as provided in the State Employment Labor Relations Act.

## **ARTICLE XIII**

### **GENERAL**

#### **Section 1 Obligation to Bargain**

**13/1/1** This Contract represents the entire Agreement of the parties and will supersede all previous agreements, written or verbal. This Agreement supersedes any provision of the rules of the Division of Merit Recruitment and Selection relating to any of the subjects of collective bargaining contained herein when the provisions of such rules differ with this Agreement. The parties acknowledge that during the negotiations, which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union for the life of this Agreement, and any extension, each voluntarily and unqualifiedly waives the right, and each agrees that the other will not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement to the extent that either party has waived bargaining on such subject or matter.

#### **Section 2 Retroactivity**

**13/2/1** No provision of this contract shall be retroactive unless so specifically stated.

#### **Section 3 Partial Invalidity**

**13/3/1** Should the operation of law or any decision by a tribunal of competent jurisdiction declare invalid any part or provision of this Agreement, the remaining parts or provisions not affected shall remain in full force and effect.

## **ARTICLE XIV**

### **TERMINATION OF AGREEMENT**

**14/1/1** The terms and conditions of this Agreement shall terminate at 12:00 midnight on the 30th day of June, 1999. Upon termination of this Agreement, the provisions of the grievance procedure shall continue in effect for the time necessary to complete the processing of any grievances initiated before the termination of the Agreement.

## **ARTICLE XV**

### **RATIFICATION**

**15/1/1** This Agreement has been ratified by the Union membership according to its constitution and bylaws and approved by the Joint Committee on Employment Relations, both houses of the Legislature and the Governor according to the State Employment Labor Relations Act.

## NEGOTIATING NOTE #1

Both the Employer and the Union agree that changing technologies in workplace significantly change communications not only internally, but also externally. Computers, fax machines, e-mail, Internet access, multimedia and video-conferencing, to name a few, have changed the dynamics of the workplace. Because of the continuing expansion and enhanced capabilities with these technologies, the Employer and the Union agree to establish a joint statewide committee to discuss, and upon mutual agreement, implement policies pertaining to the Union's ability and responsibilities in utilizing these technologies.

This Negotiating Note will be reviewed and shall be terminated June 30, 1999, unless the collective bargaining agreement is extended by mutual agreement beyond the June 30, 1999, expiration date.
